

Jabra UC VOICE™ 150

ENTRY-LEVEL UC HEADSET WITH OUTSTANDING SOUND CLARITY

DESIGNED FOR THE OCCASIONAL USER

The Jabra UC VOICE 150 is a corded headset designed specifically for Unified Communications deployments. It is perfect for light use by office professionals in both small and large office environments.

MAXIMUM IMPACT, MINIMUM COST

The headset is a cost-effective investment featuring Jabra's well-known high standards for quality regarding both visual design and sound quality.

WORKS WITH ALL LEADING UNIFIED COMMUNICATIONS PLATFORMS

The Jabra UC VOICE 150 is certified and optimized with all leading Unified Communications platforms and is fully functional with the latest generation of softphones.

EASY TO DEPLOY AND OPERATE

Simply connect the headset to the computer and it is ready for use.¹ The intuitive call-control unit attached to the cord allows for fast user adoption.

CRYSTAL CLEAR SOUND

The headset features superior sound clarity for softphone calls, conference calls, live presentations and other multimedia applications. The microphone includes a noise-reduction feature, ensuring that the recipient cannot hear background noise from the speaker's surroundings. This makes the headset suitable for use in louder office environments.

FLEXIBLE BOOM ARM TIP FOR OPTIMAL POSITIONING

The Jabra UC VOICE 150 has a flexible boom arm tip to ensure the ideal microphone placement.

1. Crystal clear wideband sound
2. Soft and comfortable velour ear cushions
3. Adjustable headband
4. Microphone with a superior noise-reduction feature
5. Flexible boom arm tip for easy microphone adjustment
6. Intuitive call-control unit for fast user adoption
7. Plug-and-play USB connectivity
